Discover the Love of Christ

Frostproof, Florida

February 2020

Dear Church Family,

We are thankful for our winter guests who support us this time of year. They are dear people and we are blessed to get to know them and have them be a part of our fellowship. We have been reminded that church attendance all across our country is down in all denominations. Even regular attendees do not attend as faithfully as they used to. I still believe that the church is God's plan for His people. The church is where we hear the word taught/preached, fellowship with and encourage one another (as well as practice all the other "one another's" in the Bible), worship our Lord, and use the gifts to minister to and serve one another. If we miss church, we might miss out on something that God wants to say to us. I want to encourage you to make it a priority in your life.

I am in the middle of a series of messages on Sunday mornings, "Knowing and Doing the Will of God", as we look at the **Seven Realities**: 1. God is always at work around us. 2. God loves us and desires a love relationship with us. 3. God invites us to join Him where He is at work. 4. God still speaks to us today. 5. We come to a crisis of belief, a time to put our faith into practice. 6. We must adjust our personal plans. 7. God calls us to be obedient. What a difference it would make in our life if we surrender to God's purpose and plan.

I do not know, specifically, what God's plan is for you but I know that generally speaking, God is in the business of restoring sinful people to Himself, and He invites us to join Him in fulfilling that mission. After all, that is why Jesus came to this earth, to give His life on the cross so our sins might be forgiven, that we would have a home in heaven, and a purpose that would give us joy and peace. How good God is!

Let's be found faithful in these uncertain days.

In Christ's love,

Bro. Darrol

The Will of God will never take you where the Grace of God will not protect you.
