## Discover the Love of Christ

Frostproof, Florida

May 2020

Dear Church Family,

I really miss not being able to attend church because I miss the fellowship with brothers and sisters in Christ. I pray that this virus will soon be a thing of the past. Even though we cannot assemble together, we still remain the church, the body of Christ.

I believe that God will use this pandemic to remind all of us of some things that we sometimes take for granted:

1. I think we are reminded of just how important people are. You have heard me say we are not meant to be “Lone Ranger” Christians. We are trying to connect with others now and may that continue.
2. We are reminded how important it is that we stay connected to God. In our times of isolation, we have time to rekindle our Bible study and prayer life.
3. We are reminded that we are not in control, but God is. We call that the sovereignty of God. God has not caused this virus but has allowed it to happen for reasons known only to Him. We live in a broken world because of sin and we see its effects daily.
4. We have been reminded that life is uncertain and it is brief. We don't know what tomorrow will bring.
5. We know that our hope is in a resurrected and living God. He holds the keys to “death and hades” and He is alive forevermore! What a Savior!

We celebrate Mother's Day on May 10. Thank God for mothers and the role they play in helping us become contributing adults in society. We are grateful for their sacrifice, time given and hard work in doing all they are able to accomplish, especially in these trying days that we are experiencing. Happy Mother's Day to all mothers.

In His love,

*Bro. Darrol*

### **One More Child For us, it's been about helping one more child since 1904**

Whether it's providing diapers for a newborn, food for a hungry child, safety for an abused child, or foster or adoptive homes to children in crisis, our mission is to meet the immediate needs of hurting children and struggling families while building relationships that demonstrate the love of Christ. In 2018, we impacted more than 249,000 children and individuals through our expert programs and creative services to offer help, healing and hope. Our burden is to help one more child who we have not yet. We would love to show you how you can do what you love the most to help children and families who need it the most.

**FOSTER CARE** We provide loving, Christian homes for hurting children by equipping families to care for children who need stability and hope.

**FAMILY SUPPORT** Preventive care and resources that provide a boost to children and families and help them make long-term strides.

**CHILD HUNGER** Life-changing nourishment that helps children and families locally and globally; provided more than 7.4 million meals in 2018.

**SINGLE MOMS** Mentorship, housing and Godly wisdom to help single moms become self-sufficient and develop into the leaders their children need.

**ANTI-TRAFFICKING** Restoration and safe home care for sex trafficking victims, leadership to prevent future trafficking, and training to equip people to identify individuals who are trapped in the vicious cycle.

**ADOPTION RESOURCES** Connecting children to families who will love and cherish them and walking alongside women facing unplanned pregnancies.

Meeting the needs of hurting children and struggling families at more than 50 locations locally and globally. We are truly grateful for the prayer support and sacrificial giving of each of you.
